And also...

Each accommodation has a small private garden. A picnic table, barbecue set, bird-feeding table and a small vegetable bed make these small gardens 'rooms' to relax in.

There is a 'Welcome Hamper' for everyone who stays at the Stables, packed with local Lincolnshire delicacies and freshly picked veg from our organic garden or the local farm shop. Add to that chocolates, wine and fresh flowers and this is certain to be a very special break away.

Courses

Why not learn a new skill during your stay? Small courses and workshops are held from time to time at the Stables, ranging from knitting, quilting, spinning & weaving to basket-making and growing lavender and organic vegetables in the garden.

The Gift Shop

The gift shop is full of character with a beamed ceiling and lime-washed walls - here we offer a range of locally-made crafts and distinctive and unusual gifts inspired by nature. Natural country fayre including soups and home-made cakes will be served during courses, workshops and special events.
