

# Home-made Christmas: Last-minute personalised presents for your friends and family – Wednesday 15<sup>th</sup> December

10am – 5pm. £65. Max 6. Lunch, refreshments & materials included

Do you hate the shops at this time of year? Are you looking for something special for a friend or member of your family? If you would like to create a personal present for someone you know and care for, why not spend a relaxing day today away from the mad crowds and enjoy a day of making creams, lotions and bath products from natural organic ingredients. We will learn to make soaps and bath melts in the morning and create several face care products in the afternoon each tailored to you and your chosen recipient using essential oils of your choice. We can personalise and gift wrap the products before you proudly take them home at the end of the day. You do not need any specialist

equipment and all materials are provided on the day. Recipes and other handouts will be given out and reference material and other products will be on sale in our shop. A festive lunch with home-made mulled wine will make this a very special lead-up to Christmas!

Please phone Sherry for more information on 01526 378717 or 07979 750760
