

# Learn to Knit and Purl – Sunday 24<sup>th</sup> October

10am – 5pm. £55. Max 6. Lunch, refreshments & materials included

Learn to knit a lovely colourful scarf this autumn in a beautiful rainbow of colours. This course is for complete beginners as we will spend the day learning how to cast on, knit, purl and cast off as well as making a start on our own scarves. The morning will be spent learning the stitches and

after some practice we will start on our scarves using beautiful Colinette 100% pure cotton wool which comes from Wales and is dyed in many beautiful colours. The price for this course includes £25 to cover the cost of the wool and a pair of bamboo needles. After our lovely lunch we will carry on knitting our scarves so that by the end of the day we will have had enough practice to feel confident to complete the project at home. Any problems afterwards and you can come back for help! If required, there will also be a short demonstration of how to make a fringe once the scarf is completed. It's great fun and very therapeutic too! .
