

# Lotions & Lavender – Sunday 19<sup>th</sup> September

10am – 5pm. £65. Max 6. Lunch, refreshments & materials included

Make your own beauty products using natural materials and plant essential oils to use yourself or to give to friends and family. You do not need any specialist equipment and all materials are provided on the day. We start the day with lavender & mint tea and freshly-made lavender scones followed by a talk about the wonderful properties of lavender and a short walk around the garden. Before lunch we will learn to make soaps and bath melts and following a scrumptious lavender-themed lunch we will create several face care products each tailored to your skin type using essential oils of your choice. Recipes will be given out on the day and reference material and other lavender products will be on sale in our shop.

**Please bring your apron.**
