

Home-made Christmas: Weaving Willow Wreaths, Stars and Hearts for Christmas – Sunday 5th December

10am – 4.30pm. £60. Max 6. Lunch & materials included

Make your own beautiful Christmas decorations from local, natural materials, made from colourful willow varieties, birch and dogwood. These can be decorated with evergreens flowers and berries for Christmas but they can be redecorated at other times of the year to suit any occasion. You will also learn to make small stars, circular wreaths and kissing bows which can be re-used year after year. We will collect the greenery and berries from the garden but you can bring your own along with you if you wish. Another wonderful willow weaving day with Alison Walling who is passionate about willow and who grows her own willow or sources it locally. A warming home-grown winter lunch will be served.
